This workshop was duly noticed by contacting the Times of Wayne newspaper, as well as posting a notice on the Town bulletin board and on the Town's web site.

All stood for the Pledge of Allegiance.

Supervisor Manktelow opened the workshop by stating that the purpose of this workshop was to review the draft proposal of Town Code laws/rules written by former Code Officer Tom Sawtelle, and commercial Code Officer Ralph D'Amato.

He asked for public comment prior to the Board discussing the proposal amongst themselves and with Mr. D'Amato and Mr. Sawtelle. Supervisor Manktelow then turned the workshop over to Mr. Sawtelle and Mr. D'Amato to explain the draft proposal. The former Village will be referenced in the document as the "Town Center."

There was good dialogue between the Board and those in attendance. Several questions were answered and some constructive suggestions were brought to the attention of the Board.

Supervisor Manktelow suggested the Board continue to review the draft proposal.

As there was no further business, the workshop was adjourned at 7:45 p.m.
