The purpose of this workshop was to discuss and review portions of the proposed Town of Lyons recodification. Supervisor Jake Emmel turned the workshop over to Town Code Enforcement Officer Richard Bogan who addressed the Board asking for approval, corrections, and/or suggestions on several items in the new Town codification. Considerable time was spent discussion vacant or abandoned buildings. Any changes or approvals made by the Town Board would then be forwarded to General Code for insertion in the final draft of the Town's recodification.

The Town Board also listened to suggestions and comments from both the Town's Planning Board and the Zoning Board of Appeals. In addition, The Town instructed Town Attorney Villani to review the rough draft presented and make comments back to the Board at a later date.

The workshop was adjourned at 8:45 p.m.
