This meeting was duly noticed by contacting the Times of Wayne newspaper, as well as posting a notice on the Town bulletin board and on the Town's web site.

Supervisor Manktelow said that he was expecting an individual here tonight who was going to address the Board with regard to new technology for parking enforcement within downtown streets. However, that person did not show up so he would move on with the workshop

Supervisor Manktelow then asked the Board it's feelings on considering changing the Logo the Town uses on its stationary and envelopes. The Town has been using the same logo used by the Village, Main Street program, and Chamber of Commerce. The Board felt there were other issues that needed attention but would review the matter at a later date.

The Board then discussed the 2015 284 Highway proposal submitted by the Highway Supt. Mr. Emmel would like to use the State CHIPS money on Van Wickle Road to the intersection of Emmel/DeBusse Rd. It was the Board's feeling that more input from the Highway Supt. is needed before making a decision on the issue.

It was decided that the 2015 Organizational meeting will be held on Monday Jan. 5 at 7 p.m. in the Board Room.

Supervisor Manktelow told those in attendance that the Town continues to work on many dissolution matters. Interviews have begun with the Village DPW concerning working for the Town's Building and Grounds Department.
